About Us

Shri Ram Group -

Shri Ram Group of Delhi is one of the oldest business conglomerates in India. Late Lala Shri Ram founded the group in late nineteenth century. The Shri Ram group has large spread of business interests including synthetics, chemical and fertilizer, real estate, automobile, logistics, etc. For over a hundred years, the name Shri Ram group has been synonymous with Excellence, Quality, Integrity, Environmental consciousness and pioneering spirit.

The Shri Ram group has been a doyen of social service. Under various charitable organizations, Shri Ram group has founded Asia's leading institutions like Shri Ram College of Commerce, Lady Shri Ram College (for girls), Shri Ram School, etc. Shri Ram group also supports arts and culture, sports, health care and is acknowledged as a doyen in social service.

New Horizons Inc –

For over 27 years New Horizons has been delivering real-world training that delivers real results. They have helped organizations and individuals achieve their training objectives. Founded in 1982, New Horizons has grown into one of the largest and most successful businesses in the global training industry. With over 300 learning centers located in over 60 countries New Horizons has the expertise to solve all the training needs. The International Headquarters for New Horizons is located in Anaheim, California, USA, with two regional Corporate Offices located in the Netherlands and Singapore.

New Horizons (I) Ltd. is a joint venture of New Horizons Worldwide, Inc. (NASDAQ: NEWH) and the Shriram group. The company was established in the year 2002 and has been running successfully for last eight years. It is engaged in the business of IT training and skills development and staffing services.

About Radhaswami Institute of Technology

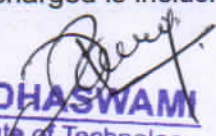

The Radhaswami Institute of Technology, Jabalpur was established in the year 2009, affiliated to RGTU, Bhopal. It is associated with the society Shri R S Educational Society founded in 2008-09 by a group of engineers & professionals working in the field of teaching & industry since last 14 years.

Our sole aim is to provide quality technical education to deserving students who are otherwise deprived of this facility due to number of factors. Having thorough knowledge of teaching standard of professional courses & on hand information about industrial scenario, support of number of prominent teachers & industries became the base for establishment of this college which is the best engineering institute of the region.

Points:

- 1) New Horizons will have the role of running the New Horizons Learning Center in the college for a period of 4 years. Based on the response & mutual understanding it will be renewed further for a 4 year period.

- 2) New Horizons will launch various professional training programs based on industry requirements and as per the demand from the college & students.
- 3) New Horizons will provide faculty who will be responsible to conduct classes at the College premises as and when required.
- 4) College will have to allocate one classroom & one lab for the purpose of conducting the classes. The capacity of the classroom would be a minimum of 40 students.
- 5) New Horizons will provide VSAT equipment at the college (for one classroom), on a returnable basis. The Advance topics, Doubt Clearing, Soft skills, guest lectures by Industry Experts etc. will be conducted on the VSAT.
- 6) College will participate and take initiative along with New Horizons to conduct awareness activities regularly in the college.
- 7) College will help New Horizons in getting enrollments of students for the various professional training programs being offered in the New Horizons Learning Center.
- 8) New Horizons India Ltd. To conduct regular seminars for the students, and allow the company to display materials related to NHLC on the college notice boards.
- 9) College will help and make all efforts to provide a minimum of 200 students per year for various training programs to be offered in New Horizons Learning Center.
- 10) College will have to work out and schedule some time slot from their existing schedule for the students for professional training programs to be provided at NHLC.
